Dear Rodney

I enclose returns for Original Video and Independent Film viewings in the video library. I'm sorry about the delay in getting these returns to you, but the relocation of the library has proved to be a huge undertaking.

I have not included any returns for the Network One tour, as I feel a more representative idea of its effectiveness will be gleaned when all elements of the tour have been seen at Arnolfini. Certainly the first package has proved very popular, and has attracted many more visitors to the library.

The new and vastly improved video area will open on 19 July, along with three exhibitions (Tricia Gillman; Sue Chudley; and Graffiti Art). The 19th will be a very exciting day, so it would be great if you could join us here.

Yours sincerely

Tony Broad
