Dear Tim Cawkwell,

according to our records, four of your films have been at the Arnolfini since September '81 for transfer to video. The films are

Six Short Pieces

The Art of Prophecy

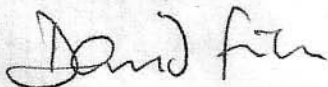

Inside the Museum

Ring of Endless Fire

Do you know if the films are still at the Arnolfini, or are they with you now? We have written to the Arnolfini about the films but if you have them we would be grateful if you could return them to us, as the films have not been withdrawn from our catalogue, and we have a booking for 'The Art of Prophecy' for a tour of Japan beginning 23rd august.

Thanks.

yours sincerely,

David Finch
