Dear Mr. Lyman,

Thank you for your letter, Malcolm le Grice has given it to me to answer.

Having gone through all our files, I am rather worried about your two films, LEILA and CASTAWAY. Our records show that we did at one time have LEILA but it has since been withdrawn from distribution. There is no record at all for CASTAWAY. You did indicate in your letter though that you weren't sure if the Co-op had your films or not. Perhaps your friend who was teaching at Harrow and who you say deposited them at the Co-op has them. I am very sorry not to be more helpful. Please let me know if there is anything more you'd like me to do or possibilities to investigate.

Otherwise, news of the Co-op is quite encouraging these days. We've received our first grant from the British Film Institute and the relative financial stability has made a lot of difference. I am enclosing our information sheet which I hope you find answers any questions you may have.

Yours sincerely,

*Mary Pat Leece*
