Dear Eileen, Cinema of Woman,

I am writing in a state of urgency to ask
you for the second installment of the
£4 hearing fee for Anne Dahir,
which has been due for some time.

As I explained to you on the phone the
previous payment went to the Film Board, thus
next sum is to come to me at Anne Films.
And it is badly, urgently needed. Particularly
since my funding money I was counting on to
pay debts has been cut by the Government.

Please write or phone me at 696186
as soon as possible.

Sincerely
Pat Nolan
