Re:A QUESTION OF SILENCE: VAT and Reports

Despite our many requests this £750 VAT due on the advance on the above film remains unpaid and our requests are ignored. We are therefore turning the file over to the VAT people and we hope they will be able to sort it out. Our report goes in to them on 13 July.

The producer keeps asking for reports on his film. This is a part of the contract and if we do not have a report by 15th July we shall serve you notice of the breach and demand cancellation of the contract.

Very Truly Yours,

PLAYPONT FILMS LTD.
