Dear C.O.W. -

First, Happy New Year -

Sheila and I haven't heard
from you in a long time, so
we'd appreciate your writing
us to say how Committed is
doing (where it's been screened, etc).

A friend was recently in London
& saw Committed advertised as
being shown at the Rio, I
think it was. I'm glad it's being
seen again in London.

Could you please send ~~us~~
us some kind of report?
We'd appreciate it.

Also, we'd like to know
what we're owed. We still
have an \$1,100 debt to be
paid off, and monies from you
would help.

Hope to hear from you
soon and that things
are going well -

All best,
Lyne T.
