Re: G.L.C. Arts & Recreation Committee - Film Viewing Board

On September 29th I attended a meeting organised by the G.L.C. at which representatives of the B.F.I., G.L.A.A. and I.L.E.A. were present. I won't go into all the matters that were discussed, but it was agreed that a standing committee should be formed. This would meet three or four times a year and its primary function would be to keep each of the film and video funding organisations informed of each others activities in the Greater London area.

I have been invited to serve on the Committee and I would be grateful if you could authorise this. It does seem to me that it will serve a useful purpose in avoiding duplication of effort and conflict between the institutions.
