Dear Tony

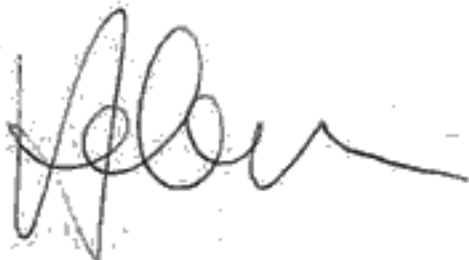

Hi ya!

Kate tells me that the NEW WAVE WOMEN will end at the end of October. Sadly we have very few bookings so there won't be much lovely dosh. Any ideas about what we might do to get some more? Receiving the full amount from the Arts Council depends on us getting some more bookings and I've run out of rep. cinemas to programme!

Sorry about not getting back to you about the posters. I did ask Debbie at the Electric but she said that as she didn't get posters for her staff, or even herself, she didn't think she could make an exception in your case. She's a hard woman!

We must get together for a chat soon. We missed you at Sarah's do on Monday. Did she tell you about the male stripper?!

See ya
