Dear Emma,

It would be good to try and get together when you are back. LfVDA will give as much support as we can to the transfer of Cinanova's collection, but we don't know enough about the NOF bid to offer much advice there. We were not involved in its creation and I don't even have a copy of whole bid or Cinanova's part of it. Presumably the digitisation of the collection can go ahead through whoever is holding the films but I am not sure. Anyway give me a call when we get back and we can meet; but I would ask that you talk to Margaret first as LfVDA will require a lot of financial information before we can release money towards the wind up and transfer costs.

best wishes
