Dear Nancy,

Thanks for your letter plus the report and accounts for the year ending 31 March 31 2002. I have a lot of respect for the way you have all kept Cinenova going, I just wish things were a little clearer on the way forward as we seem to have tried every option. Emma did mention that the possibility of a link in to the Women's Library seems to have resurfaced on their part. If you give me the contact details for the new Director I would be really happy to write to them to try and encourage some further dialogue. In the short term I think we continue to owe Emma a huge debt of gratitude for her dedication.

There is one point that I hope is not too much of a shock, but I have already paid £2,500 of the remaining £6,000 to enable outstanding royalty payments to be met. The cheque was issued on the 12 August 2002 but not cashed until the 27th September, presumably by Emma or Margaret, and of course won't figure in your 2001/2 accounts. Therefore the amount owing from the £10,000 committed is in fact £3,500 and I will arrange that payment for next week.

In the meantime I am talking to Emma about funding for another exhibition project and waiting to find out how things will be ordered here after the restructuring.

Give me a ring or send an email if you have any queries.

Best wishes

Gill Henderson
