Dear Liane

**New Wave Women Tour**

I didn't realise when we discussed the New Wave Women package a while ago that it is already being funded by the Arts Council. I am afraid that this means we will not be able to subsidise screenings of the package in the South West as we are not allowed to fund projects which are already being supported by the Arts Council. I'm sorry to disappoint you, but I had no idea when we spoke that the Arts Council were involved.

I will, of course, continue to encourage regional venues to screen New Wave Women.

Best wishes
