Dear Chris

London Electronic Arts had a board meeting on the 26th of January to discuss the lease for the new building and other matters relating to Hoxton Square generally. As you know we are still awaiting the 'right to assign' amendment in our lease so that it mirrors the LFVDA's lease with Glasshouse therefore we were unable to come to a final agreement.

However, although the LEA Board has agreed to sign the lease in principle it has requested that the BFI formalises its offer of £ 15,000 rent subsidy. I would very much appreciate a letter confirming the BFI's commitment of rent support for the above sum as soon as possible so that once the lease has been amended we can move forward swiftly. I hope you understand the concern of the board and wait to hear from you.

Yours Sincerely
