Dear Tony

I phoned Glenbuck this morning to tell them to return the following prints to you:

FATIMAS LETTER
CHAMELEON
ENDANGERED
YOU TAKE CARE NOW
NEON DIVER

With regards to royalties the agreement made with Sarah was that we would give you the new prints of Fatimas Letter and Chameleon, and you would invoice us for the other three prints for the number of screenings with a 10% discount. The package has been screened three times at:

The Electric Cinema - Notting Hill London
Watershed Media Centre - Bristol
Watermand Arts Centre - Brentford

Could you please invoice us for the above three screenings of the three prints. Hope that is all clear let me know if it isn't.

Hope the interviews have gone well!

Best Wishes

Kate
