Dear Irene,

Further to our telephone conversation earlier today, I am writing to confirm that representatives from Circles and Cinema of Women will meet with you on Thursday 30th August at 10 am.

In response to Ian's letter of 16th August, we were somewhat dismayed that he felt we ~~we~~ simply wished to continue the status quo. The addition of Point 1 was not intended to preclude the investigation of a merger. We felt that whilst looking at a merger it would also be prudent to examine the possibility of there being two autonomous and viable organisations post 1990.

We are committed to securing the future of women's distribution and have jointly been working towards this aim. In view of current funding policies we have agreed to pursue the establishment of a single organisation which we hope will be in operation by the 1st of April 1991. Point 1 should therefore be omitted from our revised brief.

We look forward to meeting with you next week.

Yours,

Jenny Shabbaz Wallace
on behalf of Circles and Cinema of Women
