PROMOTING FILMS BY WOMEN

RECEIVED 17 FEB 2003

Dear Gill,

Enclosed is a copy of our report and accounts for the year ended 31 March 2002. We included as income £4,000 received from LFVDA as a part the intended £10,000 allocated to Cinenova by LFVDA to help with our future restructuring. While we ended the year with a deficit on unrestricted reserves of £5,410 I understand from your meeting with Emma that we will now be receiving the remaining £6,000 of this grant from LFVDA. Thank you.

Since the end of the year Emma has continued to volunteer for Cinenova one day a week distributing films, making sales and preparing the Royalty statements. Her work since the year-end has contributed tremendously to the future sustainability of Cinenova by meeting the day-to-day costs of the work along with support from Four Corners.

At present we are still located at Four Corners premises. The potential move to the new Lux premises has stalled, as the Lux Board wanted to know how much we could contribute to their office overheads and indications were that it would be more expensive than our existing arrangements. Without the NOF project we are unable to commit to these overhead payments.

Four Corners will give six month's notice to their landlords before giving up their offices and we feel that in the short term we should stay where we are unless additional sources of support are found. We are delighted to hear about money from your exhibition fund for Emma to arrange screenings. We are hopeful that you may have relayed to Emma any ideas further thoughts you may have on the likelihood of funding for distribution from the Film Council, or indeed any other source.

We look forward to receiving the remaining £6,000 in due course.

Yours sincerely,
