Dear Lianne

RE: New Wave Women

Sorry this has taken so long . . . but , briefly I need the terms of New Wave Women as discussed and agreed in our meeting of last November in writing. For formalities sake.

They were as follows;

All LFMC prints purchased by Cinenova are to be returned to the LFMC after tour.

All films being rented for duration of tour, will be a flat fee with negotiable 10% drop from LFMC % pending no. of bookings for tour. That was about it.

Apologies for spelling, grammar and everything else but it's late and I'm ill.

Best wishes

Sarah Turner
